- Make every effort to increase Productivity and Efficiency without compromising Quality
- Work cooperatively with the Production Team to meet Quotas and Goals
- Observe all Safety Guidelines and report safety concerns to management
- Follow all written and verbal instructions
- Maintain a clean and safe work area
- Attend all safety and production trainings
- Demonstrate a positive and professional attitude
- Other related duties as required or assigned

What we would like from you

- Able to lift at least 50 lbs
- Manual dexterity to work on various production lines
- Overtime as required
- Forklift experience considered an asset
- Able to identify any health and safety issues
- Able to read, write and communicate in English
- Successful completion of Grade 12, GED, or equivalent

What do we do?

Univar is a leading global chemical distributor of industrial and specialty chemicals, food ingredients and related products and services. Our wide Canadian distribution network, with locations coast-to-coast,

helps guarantee fast, reliable service to Univar's customers. Across North America, Europe, the Asia-Pacific region, and Latin America, our nearly 9,000 employees serve over 100,000 customers, representing nearly every major industry and a highly diverse set of end markets.

Future Transfer is a leading national provider of industrial warehousing, production, logistics and distribution services for the agricultural industry. Future Transfer is a full-service industrial warehousing solution that provides dedicated transportation services, as well as a complete range of streamlined production services; including labelling, repackaging and custom bulk blending. Future Transfer has close to 1.5 million square feet of warehouse space across Canada, with locations meeting and exceeding industry standards including Agricultural Warehousing and CropLife Canada Standards.

Safety is our top priority, the foundation for all aspects of our global business operations. Safe transport and storage of products, safe operational practices and safe working conditions enable us to protect our employees, customers, suppliers and the environment.
