

Quality Assurance Supervisor

Location: Edmonton or Calgary, AB

Job ID Number: QASAB1904

At Univar, we believe our culture is second to none. Imagine the stability of a multi-national corporation, with the comradery of a start-up. We foster a friendly, welcoming, high-performance environment where every idea and initiative is given the respect and attention it deserves. We're proud to offer our employees:

- Competitive salaries
- Comprehensive Medical/dental benefits
- Industry leading pension plan
- Bonus opportunities
- Paid training and development programs at every level
- Global career advancement and mentoring opportunities
- Education allowance

Our team is successful due to our mix of diverse backgrounds, education, experience and careers, and we are proud to be included on the Alberta Top 75 Employer list and a recipient of Canada's Safest Employer award!

About the position

Reporting to the Quality Manager – Canada, the Quality Assurance Supervisor – Alberta & Saskatchewan will identify opportunities for continuous improvement and risks associated with non-conformance in chemical production and distribution industry. If you have a passion for detail and enjoy a fast paced work environment, this is the job for you!

What you'll do

- Supervise QA department staff in the execution of day-to-day tasks
- Assist in the investigation of non-conformances and CAPA's using an appropriate root-cause-analysis methodology
- Track completion of continual improvement and CAPA actions, and conduct effectiveness checks
- Train staff on principles pertaining to Quality Management Systems and associated procedures
- Monitor and report on training completion of departments regionally
- Conduct and host internal and external audits
- Coordinate actual and mock recalls
- Write and revise policies, procedures, work instructions

- Respond to Customer, Supplier or Regulatory requests for Quality related information
- 20% travel required.
- Other duties, as required

What we would like from you

- University degree with minimum of two (2) years' supervisory experience in Quality Assurance
- Must have very strong organizational skills and the ability to work independently
- Must be able to effectively guide peers in the completion of work requirements
- Must have excellent written and oral communication skills
- Must have working knowledge of ISO 9001
- Must have the ability to analyze, summarize and recommend improvements to processes
- Must be detail-oriented and pay close attention to accuracy of information

What do we do?

Univar is a leading global chemical distributor of industrial and specialty chemicals, food ingredients and related products and services. Our wide Canadian distribution network, with locations coast-to-coast, helps guarantee fast, reliable service to Univar's customers. Across North America, Europe, the Asia-Pacific region, and Latin America, our nearly 9,000 employees serve over 100,000 customers, representing nearly every major industry and a highly diverse set of end markets.

Safety is our top priority, the foundation for all aspects of our global business operations. Safe transport and storage of products, safe operational practices and safe working conditions enable us to protect our employees, customers, suppliers and the environment.
