- Comprehensive Medical/dental benefits
- Industry leading pension plan
- Bonus opportunities
- Paid training and development programs at every level
- Global career advancement and mentoring opportunities
- Education allowance

Our team is successful due to our mix of diverse backgrounds, education, experience and careers, and we are proud to be included on the Alberta Top 75 Employer list and a recipient of Canada's Safest Employer award!

About the position

Reporting to the Site Manager, the Site Supervisor is a key member of our Operations team and directs the daily operations of the site to ensure the safe, clean and efficient operation of the facility. If you are looking for a challenging role in a team orientated environment and a fast paced facility this is the job for you!

What you'll do

- Lead, coach, and mentor operations team of 12 employees
- Plans and supervises manpower and maintenance requirements of the site.
- Overseeing inventory levels by ensuring physical counts, and reconciliation with data storage system
- Liaises with Customer Service and Sales representatives with regards to customer issues, and shipping & product questions
- Outdoor work required in various weather conditions
- Other duties as assigned.

What we would like from you

- University degree in a related field preferred, and a minimum of 2 years of supervisory experience.
- Thorough knowledge of federal and provincial laws and regulations applicable to the chemical, food, water treatment, and related industries.
- Proven knowledge of administering labor and union contracts and grievance procedures.
- Experience managing different departments including warehouse, chemical blending, chemical packaging and bulk loading/offloading (railcars and trucks).
- Must have the ability to read and understand technical materials
- Forklift operation experience an asset
- WHMIS and/or TDG training an asset
- Must be able to lift up to 50lbs on a regular basis

What do we do?

Univar Solutions is a leading global chemical distributor of industrial and specialty chemicals, food ingredients and related products and services. Our wide Canadian distribution network, with locations coast-to-coast, helps guarantee fast, reliable service to Univar's customers. Across North America, Europe, the Asia-Pacific region, and Latin America, our nearly 9,000 employees serve over 100,000 customers, representing nearly every major industry and a highly diverse set of end markets.

Safety is our top priority, the foundation for all aspects of our global business operations. Safe transport and storage of products, safe operational practices and safe working conditions enable us to protect our employees, customers, suppliers and the environment.
