- Assists with the off-loading with trucks and putting away of product
- Bulk liquid transfer from rail to tank or truck
- Prepares product orders for customers to include custom blending and packaging
- Cleans and maintains the warehouse and equipment
- Assists in shipping & receiving
- Some outdoor work required in various weather conditions
- Other duties as assigned.

What we would like from you

- High school diploma or equivalent working experience
- Strong organizational, mathematical, computer and clerical skills
- Effective written and verbal communication skills.
- Self-motivated and able to work within company policy where experience and independent judgement is demonstrated
- Forklift operation experience an asset
- WHMIS and/or TDG training an asset
- Must be able to lift up to 50lbs on a regular basis

What do we do?

Univar is a leading global chemical distributor of industrial and specialty chemicals, food ingredients and related products and services. Our wide Canadian distribution network, with locations coast-to-coast, helps guarantee fast, reliable service to Univar's customers. Across North America, Europe, the Asia-Pacific region, and Latin America, our nearly 9,000 employees serve over 100,000 customers, representing nearly every major industry and a highly diverse set of end markets.

Safety is our top priority, the foundation for all aspects of our global business operations. Safe transport and storage of products, safe operational practices and safe working conditions enable us to protect our employees, customers, suppliers and the environment.
