

## Grow with Univar Solutions

**Warehouse Operator**  
**Agriculture**  
**Full Time**

**Location:** Tillsonburg, ON

**Univar Canada** is the leading distributor of chemistry and related innovative products and services in Canada. We provide more chemical products and related services than any other company in the marketplace. Our wide distribution network, with locations coast-to-coast, helps guarantee fast, reliable service to Univar's customers. Univar Agriculture strategically partners with leading agribusinesses worldwide to enable independent retailers across the country to provide integrated crop solutions to Canadian farmers.

**Future Transfer, part of the Univar network**, is a leading national provider of industrial warehousing, production, logistics and distribution services for the agricultural industry. Future Transfer is a full-service industrial warehousing solution that provides dedicated transportation services, as well as a complete range of streamlined production services; including labelling, repackaging and custom bulk blending. Future Transfer has close to 1.5 million square feet of warehouse space across Canada, with locations meeting and exceeding industry standards including Agricultural Warehousing and CropLife Canada Standards.
