- Knowledge in handling hazardous materials, freight and inventory control an asset.

What do we do?

Univar is a leading global chemical distributor of industrial and specialty chemicals, food ingredients and related products and services. Our wide Canadian distribution network, with locations coast-to-coast, helps guarantee fast, reliable service to Univar's customers. Across North America, Europe, the Asia-Pacific region, and Latin America, our nearly 9,000 employees serve over 100,000 customers, representing nearly every major industry and a highly diverse set of end markets.

Univar Agriculture is a distributor of chemistry and related innovative products and services in Canada. For over 50 years, we have been a fixture in Canada's agricultural market place. We proudly partner with independent agricultural retailers, providing the products, expertise and support for them to succeed in a highly competitive environment.

Safety is our top priority, the foundation for all aspects of our global business operations. Safe transport and storage of products, safe operational practices and safe working conditions enable us to protect our employees, customers, suppliers and the environment.
